

Bovine IgG

Calf's Choice Total® HiCal

NATURAL BOVINE COLOSTRUM
Immunity with a boost of energy

Whole Bovine Colostrum

- ▲ Made from whole bovine colostrum; not skimmed or reconstructed from components.
- ▲ High in growth and antimicrobial factors; contains naturally high levels of IGF-1, EGF, lactoferrin, trypsin inhibitor and other colostrum factors.

High Immunity

- ▲ IgG molecules are readily absorbed for maximum immune protection.
- ▲ > 85% IgG1 – The antibody most effective in protecting calves against diarrhea and pneumonia.
- ▲ Broad spectrum of antibodies with demonstrated efficacy in 4 continents.

High in Colostral Fat

- ▲ An important energy source required by calves immediately after birth.

Safe and Effective

- ▲ Free of pathogens that cause the following diseases: Tuberculosis, Brucellosis, Leucosis, Paratuberculosis (causing Johne's disease), Salmonellosis, E. coli infection, others.
- ▲ USDA Veterinary Biologics licensed for use as a total replacement for maternal colostrum in calves.

Convenient

- ▲ Easily mixes in under 15 seconds!
- ▲ 3-year shelf life.

Bovine IgG

Calf's Choice Total® HiCal

INDICATIONS

- ▲ Calf's Choice Total® HiCal not only provides calves with the immunity they need, it's also very high in natural colostral fat and is intended for calves requiring extra energy to get up, drink, stay warm and stay alive.
- ▲ May be used to enrich or completely replace maternal colostrum.
- ▲ Made from whole bovine colostrum; not skimmed or reconstructed from components.
- ▲ Excellent source of IgG (over 85% in the form of IgG1), colostral fat, growth factors, and nutrients needed to improve calf survival, health, growth, and long-term performance.

3 Q'S OF COLOSTRUM MANAGEMENT

QUICKLY

- ▲ 1ST FEEDING as soon as possible after birth ideally within 1-2 hours
- ▲ 2ND FEEDING within the next 6-8 hours to assure 2 feedings within 12 hours

QUALITY

- ▲ Test for quality using an optical or digital % Brix refractometer:

Maternal colostrum quality (% Brix)		Replace or Enrich?
POOR	< 22%	Replace maternal colostrum or enrich
ADEQUATE	22-25%	Enrich maternal colostrum
GOOD	25-30%	Enrich to achieve Excellent Brix %
EXCELLENT	> 30%	No enrichment or replacement needed

QUANTITY

- ▲ Feed 10% of the calf's body weight as a first feeding

TO COMPLETELY REPLACE MATERNAL COLOSTRUM			
Choose the feeding level that achieves the desired levels of immunity for your calves.			
Amount of Powder	Amount IgG Fed	Amount of Water	Avg Calf Serum IgG
2 bags or 6 scoops (1400 g)	200 g	10 cups	14.5 g/L

INGREDIENTS

Bovine Colostrum

TYPICAL ANALYSIS (PER BAG)

Bovine IgG	15% (105 g)
Crude Protein	48%
Crude Fat	23%

IMPORTANT PRODUCT FACTS (700g BAG)

Product code	X0025
UPC code	892899000229
Quantity Per Bag	700 grams (25 oz)
Quantity Per Case	14 bags
Quantity Per Pallet	45 cases or 630 bags

IMPORTANT PRODUCT FACTS (37 LB PAIL)

Product code	X0105
UPC code	892899000304
Quantity Per Pail	37 lb
Quantity Per Pallet	27 pails
Scoops per Pail	72 scoops
Replacer Feedings / Pail	12 - 200 g feedings
