

Get **MAXIMUM** genetic gains with **Alta G-STARs** and **FUTURE STARs**.

G-STAR

Fast forward genetic progress

Genetic progress

G-STARs are Alta's newest, most elite genomic-tested sires

Genomic confidence

G-STARs provide 70% reliability for production and conformation, and 65% reliability for health traits

Potential proof of high fertility

G-STARs with enough pregnancy check observations that prove high sire fertility are designated as CONCEPT PLUS

Selected to thrive in progressive dairy environments!

FUTURE STAR

Calving ease & fertility

Genetic progress

FUTURE STARs are genomic tested for production, health & conformation traits

Peace of mind for fertility

Real pregnancy check results prove each FUTURE STAR as a high fertility CONCEPT PLUS sire

Peace of mind for easy calvings

Real observations prove low calving ease on all FUTURE STAR sires

High fertility and easy calvings provide a perfect option for use on heifers!

BALANCE THE BENEFITS! USE A GROUP OF G-STAR OR FUTURE STAR SIREs FOR MAXIMUM PROGRESS AND PEACE OF MIND.
